The 17th edition of Red Bull Romaniacs – also called ‘Vertical Madness’ – was held from 27 to 31 October and it couldn’t have been more spectacular!

Mitas-supported rider Sandra Gómez Cantero achieved a historic milestone as she became the first female competitor to finish the Gold Class at the Red Bull Romaniacs. Words can’t express how happy we are; we are so proud of Sandra and her remarkable accomplishment!

Young Suff Sella finished the race in 12th place, which is a great result for a 17-year-old rider.

Unfortunately, Paul Bolton and Pol Tarres weren’t able to attend the race due to injury.
