

MITAS MOTO NEWSLETTER

MAY 2025 RECAP

May was a thrilling ride for Mitas Moto, with our tires gripping the terrain across the globe. Here's a quick look at where we left our mark.

RED BULL ERZBERGRODEO (Eisenerz, Austria)

The Iron Giant roared again! One of the toughest hard enduro races in the world, Erzberg tested the limits - and Mitas stood strong.

Our riders gave it everything - pure grit, power, and next-level riding.

Sandra Gómez Cantero crushed it with a 1st place finish in the women's category, landing 70th overall, making it all the way to Checkpoint 14.

Alfredo Gomez finished at an incredible 10th place making it all the way to the finish line and Wade Ibrahim held strong at 30th, passing through Checkpoint 21.

ENDUROGP ROUND 2 – GP OF SPAIN (Oliana, Spain)

The Spanish dust flew as the world's best enduro riders battled it out in Oliana. Mitas riders showed grit and precision on the rugged trails.

ENDURO GP ROUND 3 – GP OF SWEDEN (Skövde, Sweden)

From sun to Scandinavian soil, Sweden delivered a technical challenge. Our tires handled the slick forest floors with confidence and control.

Kyron Bacon wrapped it up with a double silver podium, while Davide Soreca powered into the top 10.

KEEP ON RIDING

HAT PEDAVENA ADVENTOURFEST (Pedavena, Italy)

Adventure met adrenaline in the Dolomites! Riders explored breathtaking trails, and Mitas was there to support every twist and turn.

CHAMPIONNAT DE FRANCE ENDURO KID (Auzolle, France)

The future of enduro is bright! Young talents in France showed incredible promise, and Mitas was proud to support the next generation.

BRAZILIAN ACTION

From motocross madness to trailblazing enduro, Brazil was buzzing with Mitas-powered performances across the board.

- Festival Interlagos – São Paulo, SP
- Motocross Championship – Cuiabá, MT
- Big Trail Enduro Series (BITES) – Carandaí, MG
- Hard Enduro Championship – Poço Fundo, MG

Stay tuned for more action in June as we continue to fuel the passion for two wheels around the globe!
