Mitas TERRA FORCE-EF tyres chosen as original fitment for Sherco enduro racing bikes

- **Mitas selected as Original Equipment supplier for 2025 Sherco Racing models**
- **Sherco will fit the Mitas TERRA FORCE-EF SUPER model designed for Fast Enduro competition**
- **Mitas TERRA FORCE-EF tyre line chosen for reliability and performance in all forms of enduro racing**

Mitas announces its newest OE partnership for the enduro market, embarking on its first-ever collaboration with renowned French motorcycle manufacturer, Sherco. Mitas' TERRA FORCE-EF in SUPER version, expressly designed for Fast Enduro, was selected as original equipment fitment for the **2025 Sherco Racing** models, thanks to its unbeatable features and tough performance on any terrain.

Gustavo Pinto Teixeira, Head of Mitas Motorcycle Tyres, states: "We are proud to be the brand selected by Sherco as their original equipment tyre supplier for the racing models. It will be a real game changer in competitions and is a testament to the excellence of our Mitas products. The Mitas TERRA FORCE-EF tyres are the perfect choice for riders looking to enhance their riding experience and tackle any off-road terrain."

Mitas offers one of the most comprehensive enduro tyre lines on the market

Mitas boasts an extensive range of tyres for both competition and weekend enthusiasts. The TERRA FORCE-EF, EF PRO and EF 2 SM tyre lines are the ultimate choice for the rider who demands unwavering confidence, a robust grip, and steady control no matter the surface, speed, or technical difficulty of the terrain. The tyres feature a knob design that's FIM enduro racing standard compliant and are shown to deliver incredible traction, stability and long-lasting durability in any riding conditions.
